## **A SAD STORY**

This is a true story about a woman named Terry. When she was young, she decided to go into journalism and become an investigative reporter. Once her education was complete, she looked around and saw corruption essentially everywhere. She thought, "If I do a good job and expose corruption, it will go away". Now, older and retired, she related in one of her last broadcast interviews, "Everything is still there - everything is the same. I

did my best. I exposed corrupt people. However, nothing has changed - business as usual was totally unchanged by my work". She stopped short of saying, "I've wasted my life."

Exposing corruption in today's world has no effect. Actually, you could be thrown in jail for revealing "confidential" information while the criminals go free and prosper. So, is there any point to even trying? Actually, there is. Someone must do this type of work. They will have a difficult time in this world, however, beyond this world they will benefit. The criminals will have a great life here. However, eventually, the time will come to "pay the piper". It appears that things have always been this way - at least according to the historical records we can access.

Therefore, it may surprise you to know that there was a time when being a Leader was considered a "sacred trust". It was your duty to see that people under your influence had an opportunity to have the best possible life. You did not consider your own well being as much as you considered the well being of those who followed you. Of course, this was a long time ago. Although you won't find it referenced in historical records, you should know that such an age once existed.

## **ADAM AND EVE**

The cute story of Adam and Eve is a familiar tale to all groups acquainted with Christianity. However, it appears that most people are unaware that this short narrative contains the key to leaving this place (the created worlds) and returning home to the legitimate Spiritual Worlds. So, let's explain it. This answer has been in front of you for thousands of years but you just never took the time to look for it. Adam and Eve are an adult man and woman who are standing next to each other naked. So, why does neither of them notice that there are certain obvious differences in their bodies? They don't notice because they don't look. They relate to each other as Souls. Material creations are irrelevant and they do not relate to them. Souls have no sex, so Adam and Eve see no difference between each other. They are just a pair of Souls.

However, now they are in the created worlds which exist in duality. They are called "created worlds" because they are formed, basically, by taking "nothing" and splitting it into two parts - positive and negative. This process creates both matter and time. Both are illusions and do not naturally exist. They also have an existence limit and will eventually return to "nothing".

However, Adam and Eve are oblivious to this because, although they understand life in the Spiritual worlds, they have no knowledge about the created worlds. They have direct access to the Spiritual worlds and to the Creator. So, along comes "Satan" and says, "You have no idea what you are missing. There are all sorts of great new things to

explore and do here. All you need is the "knowledge of good and evil" (which is more clearly stated as "the knowledge of duality"). So, why not accept this knowledge and enjoy this place - it's fun! Of course, the Creator warns them that accepting this offer will immediately terminate access to the Spiritual Worlds and they will remain trapped in the created worlds of duality. However, unfortunately, the experiences of duality are necessary for the education of young Souls. This is how they develop wisdom and maturity. The "adult" Souls which live in the Spiritual Worlds have already been through this and so have no desire for anything here. However, all these illusions are interesting to young Souls until they eventually learn through millions of years of experiences - going from lifetime to lifetime - that this place is not their true home.

Now, the choices in the dual worlds basically consist of the Left Hand Path and the Right Hand Path. The Left Hand Path consists of satisfying desires for power and material things. Since these things are illusions and only exist in the created worlds, choosing this path will end any hope of returning to the Spiritual Worlds until you eventually learn your mistake which will require that you abandon all those material attachments you have come to love for so long. The Right Hand Path is a much easier route to the Spiritual Worlds. However, eventually, you will need to find the Center Path - the point between duality. This is the point where Adam and Eve were in the beginning and this is the point you will need to find to leave the Created Worlds and begin your journey home. However, now you will have maturity and wisdom - two qualities you need but which can only be acquired through experience. They cannot simply be taught. If they could, there would be no reason for the Creator to cause the lower worlds to come into existence.

Hopefully now you will better understand the simple tale of Adam and Eve. Don't expect any mainstream church to teach you this stuff.

## **INTRODUCTION TO HOMEWORK**

The books on this site are designed to demonstrate to you that the world you have been educated to believe is reality is a contrived environment designed to enslave you. None of it is true. However, the techniques used are complex and what we present is just an introduction to stimulate people who are ready to seek the truth to look further and investigate for themselves. There is more suppressed knowledge than there is publicly available knowledge. Your rulers have become absolute experts in the science of "dialectics" which is the art of manipulating language to promote their agenda and also convince people not to seek truth. Understanding this process is not easy and takes time. It is something you are going to need to learn for yourself. We can only do our best to point you on the right direction. However, your success depends entirely upon your efforts.

## BOOKS

### MK Ultra / Monarch Books

OPERATION MIND CONTROL by Walter Bowart

Download free at [https://rense.com/general96/Operation\\_Mind\\_Control.pdf](https://rense.com/general96/Operation_Mind_Control.pdf)

This is a comprehensive book on mind control techniques used by the US Government.

TRANCE FORMATION OF AMERICA by Cathy O'Brien and Mark Phillips

This book is available for free on Amazon Kindle - also you can find it as a free .pdf on the internet but the URL is subject to change because it has an active copyright. Also search for you tube videos by Cathy O'Brien or Mark Phillips.

THANKS FOR THE MEMORIES by Sue Ford (AKA Brice Taylor)

You can find it as a free .pdf on the internet but the URL is subject to change because it has an active copyright. Also search for you tube videos by Sue Ford, Brice Taylor and Ted Gunderson (the retired FBI agent who was protecting the woman until the government killed him).

The above two books are the only available accounts by "Presidential Model" sex slaves conditioned through Monarch programming. Neither one was ever supposed to remember anything but both were able to defeat the mental blocks and recover their memories. These are very revealing books on what really happens inside the US Government - both are a "must read".

MONTAUK REVISITED by Preston B. Nichols and Peter Moon ISBN: 0-9631889-1-7  
The Montauk Project had multiple subprojects and involved humans working with three groups of aliens - the small greys, the Dracos (12 feet tall) and the Reptilians. All three are in the same evolutionary category - just above the plants. Beings in higher categories generally will not work with humans because they know the truth about them.

### Secret Operations of the United States

THE NAKED CAPITALIST by W. Cleon Skousen

This book goes into the secret motives and operations of your government (US).

CONFESSIONS OF AN ECONOMIC HIT MAN by John Perkins (C) 2004 First Edition

There is also a video version titled "APOLOGY OF AN ECONOMIC HIT MAN", however this film was never commercially produced. You can find a version of this on you tube at <https://www.youtube.com/watch?v=fSBMXsx1O6I>

However, this version has subtitles and appears to have been edited. The complete original version was broadcast on Link TV years ago.

Basically, this details the secret plan by US to control the world through economic trickery rather than military force. The original Doctor Who titled "The Sun Makers" has a story line based upon similar strategy.

Also please see other books by this author.

**PSYCHIC WARRIOR** by David Morehouse ISBN: 0-312-96413-7

The Top Secret US Government Remote Viewer program.

**CLOAK AND GOWN** by Robin W. Winks 1987 ISBN: 0-688-07300-X

The story of how the government infiltrated higher education institutions to persuade them to weapons knowledge and use it for evil instead of good through secret research projects.

Today, all major universities are basically two schools - one public and one secret.

Students who show no objection to evil are recruited - given security clearances - and allowed to have access to "secret" knowledge which is actually knowledge that would be freely taught if the government had not decided to "dumb down" the general public and reserve the truth for the oligarchs. For example, all major universities have quantum computers and have had them since the 1960's. People are told that these things are only in a basic developmental stage and need to be kept very cold to work. However, with the discovery of Graphene, these machines can operate at room temperature just like the "toy" computer you most likely own. Of course, there is no intent to release this information.

**PAWNS IN THE GAME** by William Guy Carr ISBN: 978-1-939438-03-4

The international conspiracy of world control: World leaders and other oligarchs - even you - are just "pawns in the game" - a must read to understand the truth about the world you live in.

**DR. MARY'S MONKEY** by Edward T. Haslam ISBN: 978-0-9777953-0-6

This is a true account of Dr. Mary Sherman who worked on top secret projects at Tulane University in New Orleans in conjunction with Lee Harvey Oswald, David Ferrie, Jack Ruby and others you may be familiar with in connection with the Kennedy assassination. Alton Oschner (government operative) was also heavily involved. Sherman designed a weaponized cancer virus which was to be delivered by Oswald to kill Fidel Castro. She was killed by the government (possibly because they learned she was a lesbian) reportedly using a top secret CIA assassination tool which resembled an ice pick - however much thinner - which is inserted through the back to puncture the heart (this information is not in the book because Haslam does not know the complete story). Oswald was never actually killed - the murder was faked. He returned to New Orleans with a new identity and lived there quietly for years. Check for you tube video on Haslam's book.

ME AND LEE by Judyth Vary Baker ISBN: 1936296373

Baker was recruited out of high school by Alton Oschner to work on designing deadly cancer viruses. She became Oswald's mistress. Since they essentially lived together, she noticed documents stamped "Top Secret - MK ULTRA". After the Kennedy assassination, lots of people were killed. Judyth received an emergency phone call that she was scheduled to be killed and should leave immediately with only the clothes on her back if she wanted to live. She did. Later, she married and raised a family. However, she wanted the world to know the truth and gave an interview to the history channel. The segment is titled "The Men Who Killed Kennedy - The Love Story". The current URL is [https://www.youtube.com/watch?v=\\_j72YPfCsbY](https://www.youtube.com/watch?v=_j72YPfCsbY) The episode was only broadcast once. The government reportedly ordered that it never be shown again.

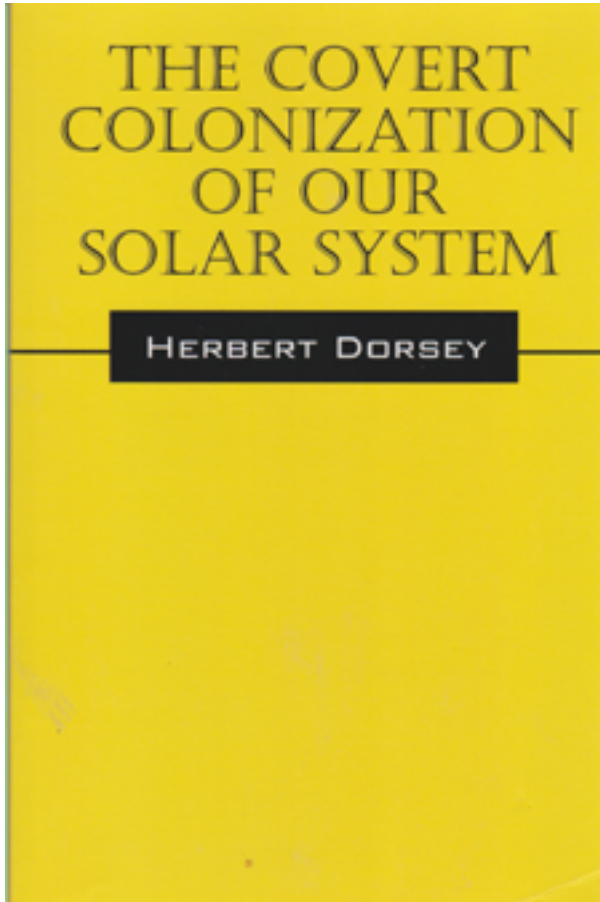

### Off World Operations

SECRETS OF ANTIGRAVITY PROPULSION by Paul A. LaViolette, Ph.D. ISBN: 978-159143078-0

SECRET SCIENCE AND THE SECRET SPACE PROGRAM by Herbert Dorsey  
ISBN: 978-0-578-15238-7

THE COVERT COLONIZATION OF OUR SOLAR SYSTEM by Herbert Dorsey  
ISBN: 978-1-4787-6883-8

ALIEN INTERVIEW Lawrence R. Spencer 2010 ISBN: 978-0-557-41151-1

This is an interesting book concerning a relationship with an alien. Of course, you immediately think "conspiracy theory". The government has gotten a lot of mileage out of this term to deal with inconvenient subjects. Whoever thought it up should get some kind of award.

However, this first hand account contains too much accurate information to be easily dismissed.

## **RESTRICTED BOOKS**

THE HUMAN AURA - by Walter Kilner - (C) 1965 by University Books - LCCCN 65-12398 (The current ISBN system had not yet been created)

This book is very difficult to find - but not impossible. When the National Security Act was passed, it was noted that there was already information in the public domain which people should not know and this information should be recalled and classified. This is one of those cases. Over one hundred years ago, Walter Kilner discovered that anyone could see the Human Aura by using a violet dye known as Dicyanin. Following the

classic occult rule, "as above, so below", Kilner realized that before disease appears in the physical body it first appears in the Astral body. If the problem is dealt with at that point, the person will not become physically ill.

Now, Dicyanin is still made and, when you can find it in a chemical catalog, it is described as "use for visualization of magnetic fields". It is more difficult to get Dicyanin than it is to qualify for a Schedule I DEA permit that will allow you to buy drugs such as LSD. You can see why. If this process, freely available over a hundred years ago, was available today, it would practically make "modern" medicine obsolete because diseases could be detected and neutralized before they ever became a physical issue. Doctors make money by waiting until symptoms physically appear and then treating symptoms but never looking for causes. This guarantees that people will always be sick and constantly running to doctors which is how they get rich. This now secret one hundred old process would shut all this foolishness down and virtually guarantee a healthy life. Can't have that. Bad for business.

THE MEDICAL MAFIA by Ghislaine Lanctot ISBN: 2-9807465-2-5

This book is not available in the United States. The author is a woman who became a Medical Doctor (MD) but then realized that commercial medicine is a scam and gave up practicing. She wrote this book to expose the truth about medicine based upon her experiences.

You must order this book from Canada. The address is: Ghislaine St-P Lanctot' P.O. Box 309, Waterloo, Quebec, Canada JOE 2N0 Her phone number is 450-297-3930 She only accepts cash. - call for latest price (the bulk of the cost is for shipping)

### Medical Truth Tellers

INTERN by Doctor X - still available - Published in 1965, Doctor X has now been identified as Alan E. Nourse. The book contains his notes on experiences he had when he was an intern. Medical people are not supposed to talk "out of class" about what they see. Medicine is essentially a cult and everyone covers up for each other. So, Doctor X was afraid his career would be ruined if anyone found out his real identity.

Assuming that this would never happen, he is quite frank about things most people know nothing about.

### Occult

TIBET'S GREAT YOGI MILAREPA by W.Y. Evans-Wentz published in 1928 - no copyright or ISBN info (too old) however book is still available.

This is the story of Milarepa - the only documented case of a yogi becoming a master of

both the Left Hand Path and the Right Hand Path in a single lifetime. No one has seen Milarepa, however, his teacher, Marpa, is said to have been seen teaching students on one of the higher Astral Planes.

It is important to note that, when Wentz was a student, Tibet had not yet been captured by China. Also, at this time, there was a minimum of artificially generated electromagnetic fields present on the planet. Consequently, it was much easier to perfect occult skills than it is today. Even the presence of metal interferes with this. Consequently, Catholic buildings used for such purposes are 100% natural wood. Even the door hinges are made of wood. Buildings are sometimes necessary, however Witchcraft covens prefer to use some undisturbed natural environment whenever possible to avoid metal and magnetic fields of any type.

#### TIBETAN YOGA AND SECRET DOCTRINES by W.Y. Evans-Wentz

In this book, Wentz discusses various mental powers that are achievable through proper practice. Remember, however, that Wentz's work was done years ago. Today, the US and other governments use various methods to prevent people from developing psychically. The most widely used method is to poison the water supply with fluoride which causes calcification of the pineal gland which is the physical link to the "third eye". Without such interference, it would not be possible to control the masses through constant lies and propaganda because they would be able to easily detect such things. Hitler added sodium flouride to the water in his concentration camps and the effect was described as giving the prisoners a "mild lobotomy".

Also see other books by this author.

#### THE EGYPTIAN BOOK OF THE DEAD

Spells from this ancient book are used today in Monarch Programming done by the government.

#### THE VATICAN ARCHIVES

The 60+ miles of secret records are said to date from the Age of Leo. The Age of Leo was from 11000 B.C. – 8000 B.C. Vatican agents also reportedly stole ancient Egyptian records hidden under one of the paws of the Sphinx.

## STARGATE SG-1 Season 10 (the last season)

This last season is a great lesson in today's conventional religions. It deals with a group of people with advanced mental powers (The Ori) who demand that people worship them. Those who refuse are killed. They claim their "path" is the only true path (sound familiar?). At one time, anyone who disputed the teachings of the Catholic Pope was killed - so this idea is not new. There have been several "crusades" by various groups to "cleanse" the world of non-believers by killing them and, to some extent, this continues today. So this last season of the series contains important lessons about conventional religions and especially the understanding of the concept that when you "worship" another person or group it allows them to effectively steal your psychic energy which makes them stronger and weakens you. This is why these groups want large followings. It has nothing to do with helping the "disciple" and everything to do with increasing their powers. Since they all do this to a certain extent, you would be much better ignoring them and devoting your energies to *your* Spiritual advancement.

1984 by George Orwell - a classic must read. Also you should watch the feature film "1984" based on the book <https://m.imdb.com/title/tt0087803/>

### Occult Subjects

THE ENTITY <https://www.imdb.com/title/tt0082334/>

STRANGE INVADERS <https://www.imdb.com/title/tt0086374/>

Both of these films deal with "mental bodies". Mental bodies are blue globes. People have three main bodies - physical, Astral and mental. All of these are temporary and

enable Souls (which are permanent and indestructible) to function and interact with higher density regions of the created worlds. Strange Invaders is fiction, however, The Entity is based upon a women's actual experiences.

THE CAPITALIST CONSPIRACY 1969 <https://www.imdb.com/title/tt3394640/>

Unfortunately, very difficult to find. Fortunately, someone posted the complete documentary at <https://www.youtube.com/watch?v=udWXFC2sWU8>

## UNPUBLISHED FEATURE FILMS

THE LAST CHILD <https://www.imdb.com/title/tt0067326/> was the ABC movie of the week in 1971. The surveillance systems used did not exist then - but they do now. This film was never released for sale, however you can watch it on You Tube using the URL <https://www.youtube.com/watch?v=p7Zbfie-UrA>

STARSHIP INVASIONS (1977) <https://www.imdb.com/title/tt0076760/> was apparently released on VHS tape but is no longer available. However, you can watch it for free on You Tube at <https://www.youtube.com/watch?v=QESnwxRUxyw>

This film is significant because of the true segments that the government obviously knew about when the film was made such as alien bases at the bottom of oceans (they are actually there) and the fact that no advanced society uses language (because it can be misinterpreted). They all communicate telepathically.

## VIDEOS

Originally, you tube was a great source of free videos on a variety of subjects. However, this site is now censored and videos which do not support the party line of the government have been removed. However, people who still believe in freedom of information have created a new site - <https://www.brighteon.com/> - and many videos censored by you tube can be found here. This site also hosts videos on various "forbidden" subjects which would have never been allowed on you tube even before active censorship began.

Suggested videos originally available on you tube are:

Everything by Al Bielek and Preston Nickols

Everything by Cathy O'Brine

Everything by Bryce Taylor (Sue Ford)

Everything by Ted Gunderson

## **SUPPRESSED DOCUMENTARIES**

To find suppressed videos - mainly restricted documentaries - you will need to receive RT America **www.rt.com** (Galaxy 19 - FTA) AND Press TV (Galaxy 19 - FTA). Both of these channels use the same format which is news from the top of the hour to the half hour and some type of documentary from the half hour to the top of the next hour. RT America is very easy to find and is available essentially everywhere including both popular satellite TV networks. However, Press TV (State TV from Iran - English broadcast channel) is more difficult. If you are not set up to receive the broadcast directly on the Galaxy 19 satellite and have fast internet, you can receive it on the internet at **www.presstv.ir**.

The documentaries cover subjects which are not allowed to be discussed in the United States where all information is tightly controlled by the fascist government. There is nothing "special" about these documentaries and most are made by independent filmmakers. The documentaries are not "hate the US" type propaganda. They are legitimate coverage of subject areas which the US Government would prefer that you know nothing about. For example, one documentary on the RT network titled "Filet O Fish" shows how fish are grown in confined spaces filled with antibiotics and then processed into "slabs" of fish meat (and parts) which eventually become things like "fish sticks". If you watch this, you will never want to eat any fish product ever again because it is simply disgusting. You can see why the US does not want you to know the truth about this.

There are thousands of documentaries covering thousands of subjects which are suppressed in the US.

Unfortunately, presenting the truth does not seem to have any meaningful effect on the masses. They all seem to be asleep.

## **WEB SITES**

<https://www.crystalinks.com/>

Great reference source on psychic data and hidden data/

<https://siriusdisclosure.com/>

Created by Dr. Steven Greer, this site contains videos and testimonies by people holding a "Top Secret - Cosmic" security clearance which is said to be the highest possible clearance level. They have chosen to come forward and tell people the truth. Normally, people doing this would be killed by the government, however, these people have managed to "slip through the cracks" somehow and freely discuss some of the government's most guarded secrets.

<http://www.bielek.com/>

With the highest possible government clearance, Bielek freely discusses subjects you most likely never heard of. Anything from him is a must see / must read.

## **INTERNET RESEARCH**

Avoid search engines linked to the US Government. Two good search engines are <https://yandex.com/> which is Russian and <https://duckduckgo.com/> which is American but safer from censorship. Never use anything linked to Goggle. Never use Facebook. Never use Twitter. If you understand technical aspects of the internet, connect using a "proxy IP address" so that your actions cannot be traced.

## PSYCHIC AND SPIRITUAL SUPPORT SITES

First, you need to understand some basic things about Spiritual matters. It has become popular for all sorts of people to claim super Spiritual powers and set up groups claiming to take people into "heaven" (for a price). There are legitimate Spiritual Masters who hold a valid SM-1 rating. However, to get this rating, you need to progress gradually through millions of lifetimes in the various densities of the so called lower or created worlds and then qualify to enter the true Spiritual worlds or planes where only Souls exist. At this point, you need never to return to the created worlds where matter and time exist. Some Souls, out of respect for the Creator, voluntarily choose to go back into the lower worlds to teach and help young Souls advance. Those Souls hold a valid SM-1 rating. So, it is not a simple thing to obtain. If they want to continue to work and help Souls in the Astral density zone, their rating changes to SM-0 (Ascended Master). Now, since these souls are already "graduates" of the various tests and experiences of the lower worlds, they have no desire for anything here. They are here only to help young Souls. Therefore, they are not easy to find and most likely would find you when you are ready to benefit from their help. So, anyone claiming to be some kind of "master" who advertises or otherwise recruits followers is a fake. Legitimate Masters never do these things. Also, there is no such thing as a "ticket to heaven". This is something you have to earn for yourself. It cannot be given to you and, when Jesus was here, that is exactly what he taught. Masters can only point the way. Beyond that, it is up to you to make the required effort.

This link should give you both Volume I and II. This encyclopedia is an excellent source of both basic information and popular cults and movements.

It is difficult to recommend Spiritual support references because no one has advanced to exactly the same Spiritual status. Actually, this is what a legitimate Spiritual Master would do because he could tell your level of development and - based upon this - recommend the "next step" for you to take to advance further. So, giving such advice is highly individualized and there is no "one size fits all" type of instruction. We discussed

previously what your final objective should be in the "Adam and Eve" section. However, the path to this objective is different for each person.

One bit of general information you should know is that present day life is not the same as life before technology. Before technology, survival depended upon physical work. Consequently, this favored development of the lower chakras. However, today, most physical work is done by machines and people are mainly involved with intellectual activities which favor development of the higher chakras. Consequently, chakras originally out of balance at the "high" end are now out of balance at the "low" end.

These are the standard chakras most people who study this are familiar with know about:  
[L1]

However, many now realize that there are at least three additional chakras outside of the body above the head. Activation of these chakras essentially allows you to run your body by "remote control" because you are no longer actually inside your body but above your body. Now, there is a lot of information on the internet about chakras including information on how to activate them. There are also classes on this subject - some of which claim to be free.

You will also need to research the Kundalini. There is lots of data on this subject. Unfortunately, there are also problems. The Kundalini is a normally dormant source of intense energy. If you are not prepared to handle this energy and activate it, the consequences could be quite serious. Therefore, most recommend a living Kundalini Master if you are going to get into this. A legitimate master can control any unwanted effects you may experience.

Activating the chakras and the the Kundalini will give you a good basis for exploring the invisible dimensions most people never realize even exist. Remember, however, this is going to be pretty much a lifetime work.

There is lots of free Spiritual information still available on the internet. There are also many "how to" free videos. Some people are teaching classes for a price and some are pretty pricey. If you are Spiritually ready, you should not need to pay for basic information. Even if you do pay, there is only about a 15% (at most) chance of having any success. It is not possible to "zap" people into Spiritual states if they have not naturally evolved to that level. If you are ready, you should know. However, since Spiritual information is not readily available through mainstream sources, it would be to your advantage to research these subjects. If the information you find stimulates and interests you, you should proceed. However, should descriptions of other dimensions and true human potentials seem like "so much nonsense", it is likely not yet your time to Spiritually advance.
